

# WE NEED YOUR VOICE!

## JOIN AMPLIFY MONTANA ADVISORY BOARD. A PROGRAM FOR LIVED EXPERTS, BY LIVED EXPERTS.

### About AMAB

Formed in April 2022, the Amplify Montana Advisory Board (AMAB) is a group of Lived Experts who guide MFBN's Amplify Montana initiative and help inform our policy and advocacy work. Their firsthand knowledge of food insecurity and public assistance programs drives meaningful, community-centered change.

### Who We're Looking For

We're seeking individuals who have personal experience with:

- Poverty or food insecurity
- SNAP or other public assistance programs
- Navigating barriers to accessing food

If that sounds like you—or someone you know—you can make a difference by joining AMAB!

### What to Expect

Commitment: About 2 hours per month

- 1 hour for a monthly meeting
- 1 hour for project work that supports our shared priorities

Compensation: \$50 per meeting

Format: Virtual meetings with occasional in-person opportunities

### Why it Matters

Your voice and experiences are essential in the fight for a hunger-free Montana. Together, we can shape better policies, programs, and community support systems for all Montanans.
